<b>9. Details of application (continue on a separate sheet if necessary)</b>	<p>The Southwark Youth Adventure Team (SYAT) has been going for 15 years and has steadily grown in numbers. It encourages young people in the age range 14 – 18 to participate in adventure days which are organised once a month at various sites around London. Thanks to the generosity of the Malcolm Hamble Foundation, the Team was able to acquire its own coach three years ago, which is used both by the Team but is also rented to the Southwark Canoe Club who use it as well.</p> <p>This year, for the first time, due to the cancellation of a booking by another organisation, the Team have been offered a week for up to 30 young people at the Ardross Adventure Camp near Sevenoaks in September 2008. The price payable is reduced by 50% from the normal tariff and the Team would very much like to take up to 30 young people away for 6 days. Over the years a number of the young people have returned as leaders and the Team will have 10 staff, together with the resident leaders at Ardross.</p> <p>Most of these young people come from the Bermondsey Estate and will not be able to make any meaningful contribution to the week. We have already been promised £1,200 by the Michael Hamble Foundation.</p> <p>I attach a report we have prepared recently on the work of the Team and really hope that your Foundation will be able to assist us.</p>
